Shortly after the defeat of Venom Myotismon, as the Digi-destined realize they have to return to the Digi-world. They think about Kari, as Kari thinks herself, Oasis's "Wonderwall" begins in the background.

Kari is floating into the sky with the others, waving good-bye, she has to go, she's the eighth child. It is her responsibility.

(Today is gonna be the day that their gonna throw it back to you)

She remembers Wizardmon, the fight against Myotismon.

(By now, you should've somehow realized what ya' gotta do)

Tai looks down at her, his responsibility.

(I don't believe that anybody, feels the way I do, about you now)

Gatomon nuzzles up against her. Happy to have found her.

(Back-beat, the word is on the street is the fire in your heart is out)

Gatomon remembers the horrible waiting through which she went. All the times she thought Kari never existed. That she was alone.

(I'm sure you heard it all before, but you never really had a doubt. I don't believe that anybody, feels the way I do, about you now)

Jumping ahead to the future, we see all the battles through which they have been.

(And all the roads we have to walk are winding)

Kari watches as Gatomon digi-volves.

(And all the lights that lead us there are blinding)

Takeru glances at her

(There are many things that I, would like to say to you, but I don't know how)

Tai remembers the agonizing fights and all the times Angewoman has helped them, He realizes how important Kari is to the team, Kari returns his gaze, looking to him for guidance.

(Cos' maybe, ya' gonna be the one that saves me, and after all, you're my Wonderwall)

Kari sees Tai jump and take a hit for her. All the times she wanted to fight and he held her back.

(Today was gonna be the day, but they'll never through it back to you)

We see the scene where she collapses on the road, not telling anyone about her cold.

(By now, you should've somehow, realized what you're not to do)

Gatomon looks over her, crying.

(I don't believe that anybody, feels the way I do, about you now)

The trek up Spiral Mountain

(And all roads that lead you there were winding)

Kari glowing with the power of light

(And all the lights that light the way are blinding)

The scene of her and Takeru praying at the memorial

(There are many things that I, would like to say to you, but I don't know how)

The Numamon worshiping her, their queen.

(I said maybe, ya' gonna be the one that saves me, and after all, you're my Wonderwall)

As the chorus repeats, we are shown Angewoman fighting LadyDevimon, and defeating her, Kari earning her place on the team.

(I said maybe, ya' gonna be the one that saves me, and after all, you're my Wonderwall)

(I said maybe, ya' gonna be the one that saves me)

(ya' gonna be the one that saves me)

(ya' gonna be the one that saves me)
